My Administration is working to address the serious challenges our Nation faces. I am committed to taking immediate steps that generate job creation and economic recovery, and I am determined to make investments that lay a new foundation for real and lasting progress.

As I move forward on key initiatives, I am making my Administration the most open and transparent in history. Part of delivering on that promise is hearing from people like you. I take seriously your opinions and respect your point of view. Please know that your concerns will be on my mind in the days ahead.

Thank you, again, for writing. I encourage you to explore www.WhiteHouse.gov, which is regularly updated and more interactive than ever before.
